The Associated Press reports that flys companies of militia have been started for the reservation, to arrest Agent Berry, and that a conflict between them and the Indians is anticipated. Catastrophes.

Ifariburg, Pa., 18—A serious disaster ecurred on the Shenandoah Valley Railroad at East Liberty, Page County, Pa., on Saturday, an entire trestle work, 1,200 feet long and 94 feet high, going down with a crash in one promiscuous ruin, instantly killing Walker Jones, of Barbersville, Orange County and seriously injuring Seward Hawcock, of McGeheighsville, Packingham County. A. B. MEACHAM.

Commissioner Meachem, in a letter on October 5th, from Los Pinos, say he believes the compromise with the Indians was in good faith by Agent Berry, by citizens and by Indians. It was no put up job, as some teamsters claim. The Indians would not agree that the murderer should go to the military camp, but said they would a low him to go to Gunnison if his trial and coaviction would follow. The secort was chosen by the prisoner himself, and it was believed the danger was over.

Government suthorities in this city have received no news from Colorado as recent as that given by to day's press dispatches. The following dispatce, dated Los Pisos Agency, October 16th, was, this afternoon, received at the interior department of justice, but no decision was reeched. Meanwhile a press dispatch announced that Agent Berry and other persons, for whom warrant were issued, had been arrested and lodged in jail at Guntison:

The Railroad Fight.

Chicago, 18.—Inter-Occan's New York: Solon Humpbries, of Wabash, says, regarding the passenger war. The Wahash has been virtually shut out of Chicago by having its passenger depot two miles from the heart of the city. The roads the Wabash is now hurting are responsible for this.

Many new cuts signalize the railroad war, most of them of small importance. Alton road seels a limited ticket to Omaha, the Kansas City, at \$3.50, and the Wabash meets the rule, selling also unlimited at \$7.50 to Council Bunffs and \$5 to Omaha. The Northwestern, Burlington and Rock Island, have not methis rate, but it is stated they will tomorrow. Wabash sells tickets to St. Louis and return, good for three days, for \$3, the Alton merely adding 56c, to the rate from Kansas City to the western destination, the earm making the fere thither from Chicago.
